

**PSC Related Circular** 

No.PSC 30/2023

Dated: 24.07.2023

Subject:

PANAMA FLAG MMC 398 PARIS MOU Pre-ports arrival checklist for Panama flagged vessels

The purpose of this Merchant Marine Circular is to implement additional assessment requirements to decrease the detention numbers of **vessels calling in PARIS MOU ports that may subject to Port State Control (PSC) inspections.** 

A checklist (<u>Pre-Arrival Checklist for Panama flagged vessels</u>) has drawn up to assist Ship-Owners, operators, technical managers, Designated Persons Ashore (DPA) and vessel Master's to **find weak items** that can results as a ground for detention through Port State Control Inspections by PARIS MOU.

The checklist must be sent **ninety-six hours (96hrs) before the vessel arrives** to PARIS MOU ports, to the following email address: **psc@amp.gob.pa**. For voyages with lasts less than 96 hours (96hrs), the checklist must be sent at least **twenty-four hours** (24hrs) before arrival at port.

The use of this checklist is compulsory for all the Panamanian vessels prior to arrivals PARIS MOU, and shall be signed by the vessel Master and/or company Designated Persons Ashore (DPA). The omission of this requirement may lead to administrative sanctions for to the vessel Master, and/or Chief Engineer and/or to the vessel company as well.

If an extraordinariness issues, such as equipment failures or any others situations that cannot be resolve on board of the vessel immediately; Ship-Owners, operators, technical managers, DPA or vessel's Master, shall immediately coordinate the effective corrective actions, together with the vessel Recognized Organization (RO) and Segumar Offices. At the same time, PSC Authority shall be informed as requested by regulation 11 "Maintenance of conditions after survey", SOLAS Chapter I.
